“ Sorry to of heard of your loss. We are grateful we got to know her for a number of years having her as a dedicated fighter for our son as part of his IEP team. She was so dedicated to the cause of her job she would call from home to talk about our son's case as well as share a fun story or two. No better person to of had fighting on your side when things weren't right and at the same time was a very fun lady to be around and have conversation with both fun as well as gain from what she shared from her wealth of knowledge and experience. She was one of those truly rare great ones and we will miss having her on our sons team and so grateful for getting to cross paths with her. Happy she now has peace and together again with Norman.

“ Family of Cindy Jarvi, Cindy I may have started out as your nurse but we developed a wonderful friendship that got us through so many of life’s crazy , happy and sad moments. I am going to miss you so much with our crazy calls lasting for hours and just sitting visiting over a cup of tea. You so cherished your girls , their families and all those special grandchildren. Thanks for always being such an amazing advocate for children with disabilities that couldn’t speak for themselves. The community lost such an awesome woman that through her major health issues put everyone before herself. You were definitely a beautiful Angel. I know you will be watching over us from above and will have a cup of tea waiting for me when we meet again. R.I.P. I will continue to share your beautiful memories and you will never be forgotten.
