“ *Native American Prayer* I give you this one thought to keep: I am with you still; I do not sleep. I am a thousand winds that blow; I am the diamond glints on snow. I am the sunlight on ripened grain; I am the gentle autumn rain. When you awaken in the morning's hush, I am the swift uplifting rush of quiet birds in circled flight. I am the soft stars that shine at night. Do not think of me as gone. I am with you still in each new dawn.
