“ *My heart goes out to the Woodbridge/Totten family. Cynthia was in my wedding 34 years ago and I have so many fond and funny memories of our time together during elementary, junior and senior high. Since we live in Northern Virginia now, I will be unable to express my sympathy in person but will keep all of you in my thoughts and prayers. One of my favorite sayings is from Flavia "Some people come into our lives and quickly go. Some stay for awhile, leave footprints on our hearts and we are never, ever the same". That speaks to the person that Cynthia was and I was lucky to be one of those that knew her.*
