“ *Lyman Family,
I can remember the Kolaches and smell them as I write this.
I am so sorry to hear of her passing. My memories of her are many
and good. The lovely, classy woman that she was, so full of love
and energy and a great Mom to all of you.
My heart and blessings go out to you and the family.
It is funny how after all these years I can still remember the great
times we had as kids.*

“ *I am so sorry I cannot come and be part of the memorial services. I
have thought of you guys, the cousins who have been SO friendly,
how I am so thankful for your kindness, and pray much kindness
and compassion for all of you and yours at this time. Your MOM was
a faithful Aunt, thinking of others first, never wanting to be a bother
to anyone. She didn't seem to be a complainer, yet she had so
much she could complain about. She sent me birthday cards long
into my adult years, until her handwriting got shaky and fragile, she
was so thoughtful and sweet. I admired her courage, her outspoken
heart, her beautiful countenance. I will so miss her, and pray God
will comfort you with His everlasting love, like no person on this
earth can in such a sad time of loss, with lots of love and prayers,
your cousin, Connie(Murphy)Van Kirk*
