“ Nana, Saying goodbye to you today has to be one of the hardest things I have ever done. You were so special to me and Im sorry I didnt say it more often. I will cherish the times we spent together. You were always there for me regardless of the situation. I will remember all the talks we had at your kitchen table, and how when I left I always had a smile on my face. Nana you are going to be greatly missed by me each and every day. I love you Nana. Tim

“ Mom, I am very thankful for all the wonderful times we shared together, we have gone so many places and done so many things, yet here I am wishing we had done so much more. Thank you for allowing me to be your friend as well as being my Mom, I truly valued our many conversations where no subject was too bold, all the jokes and laughter, all the tears too, most of all the many things we told each other when not one word was spoken. Just know that I will miss you very much, but also know you will always be in my heart until we meet again. Thanks for being my Mom Greg

“ *Dee, I will miss you greatly. We were friends for more than 30 years and even closer as you made your home my home for 3 years. We had lots of laughs and good times and many cups of tea. I'm sorry that I didn't get back to Minnesota to see you again. We always think we have forever. You will hold a special and treasured part in my heart. I love you.*

“ How we will miss Dee. What a wonderful friend to Mom, to our family. Have to believe Dad was there to greet Dee as God called her home. With love and prayers from Washington. So wished I could be with you this week. With fond memories and deepest sympathy.

“ I remember a few 4th of July celebrations at Woodgates. Dee, Louise and Edna (my own mom) sat on the deck while the cousins (of Sarah and Branden) maintained a bonfire for hot dogs and s'mores, sharing with those unwilling to trek down to the fire. Then the fireworks would begin...including a visit or two from the local constabulary! The moms would light up sparklers while the sisters laid in the grass singing patriotic songs at the top of our lungs. Dee, you will be missed. We pray comfort to all your family.

“Dee will be greatly missed at the Selin Family gatherings....we were blessed many times over to have 2 "Moms" at our gatherings....My most recent Dee memory (there are too many funny memories to write them all) was at Christmas 2010...Dee's son Greg, as always, was teasing Dee. He made one comment, and she looked up at him with all glare (all 125lbs of her)...I said to Dee "want all of us (it would take all of us) to hold him down while you hit him with your cane?" Dee looked up at me with a smile and said "I don't need anyone to hold him down...I can take care of him myself!!.....That was the true Dee....An opinionated, strong and loving woman. My thoughts and prayers are with her family as they go through this time of sorrow....to them I say...take the time to remember all the wonderful, funny, sad memories....To Dee I say (in words Dee used many times)...."TAKE CARE LOVE" and enjoy heavens choir!!!!

“ When I was 3 or 4 years old I would sit on the steps with Dee in the early morning and we would eat a bowl of garden picked strawberries and cream together. Dee would point out birds to me and flowers. And as I got older we moved away but I would ride my bike down to the river bottoms to look for watercress. I would carry a bunch back to Dee so she could make her beloved watercress and cucumber sandwiches! I thought she was my bonus Mom and I loved our rich conversations together. I will miss her much. All my Love, Christine Perrier
