“ I was a teenager when I met Daisy. It was the first time I met anyone who had the same last name. She was a beautiful gracious lady. I have thought about about her many times over the years. She was a great example to me.

“ Daisy has been a very special person all her life. We both remember what fun we had camping and fishing with John and Daisy (the bullhead queen) in our younger years. She loved her family dearly..
So sorry that we will not be able to attend her Memorial Service, but our thoughts and prayers are with you all. Linda and Pat Reed
