“ Dale Engleking great person, great athlete, and one gentlemen I still remember from grade school. We both went to Saint Christine in Euclid, Ohio. I remember him being an excellent baseball player with the quirky walk. After grade school I attended Gilmour he Euclid High, I would see him once in a while during the summer he always had time too talk. We both moved on, I to California he to Minnesota. I was able to run down a telephone number and spoke to him 4 years ago and he was just the same. Never forgotten. Even though I did not attend Euclid High I still remember Dale. I am sorry for your loss of a truly exceptional man,
