“ *Its hard to imagine navigating life without you dad, there will be tears shed of all the memories, and in time the tears may lessen and turn to tears of happy memories. Thank you for guiding me through this amazing life and being the best husband, dad, grandpa and great grandpa. You taught me right from wrong, and always were a great supporter. To the world, you may be one person, but to me, you are the world. You can walk freely now. I love you. Kelly*
