“ Dale was such a fun person, loving, and generous with a huge smile. It's hard to believe he has gone on to peace and reunion with so many others we so loved to be with. His infectious laugh and genuine caring personality were so welcoming, along with Jan and the kids, that we always made time to swing by and visit with them whenever we got back to the Cities over the years. His wonderful spirit will live on always in our hearts.

“ My sincere sympathy in Dale's passing. It was some 46 years ago when I worked for Dale as my first boss at Univac. I have not seen or heard of his activities since I left back then. His obit reflects the individual I knew back in the 1960s. I enjoyed my time working for him
