“ I really wish I had the opportunity to have gotten to know Dale more intimately. I think we would have had a lot in common.  
Jeni, I meant what I said when I told you that I could not fill your dad's shoes, but I would certainly be there if you needed a father figure.

“ To The Entire Kowalczyk Family,

*I am so sorry that I will not be able to attend Dale's funeral. I always tell my children about the Kowalczyk's and the Herstein's from north Mpls. I remember the hundreds of times we would play ball, skate, run around North Commons, going on Broadway to S&W Grocery, Northside Picnic, etc. and Dale tagging along to be with his big brother and sister. I had the chance to talk with Dale at his father's funeral and we laughed about a lot from the old neighborhood. I will always remember Dale's laugh and positive attitude. Our thoughts and prayers are with you.*

*Stay in touch.*

“ *My father was the smartest person I knew. He was a very great friend to have and father to love. I always found peace with talking to him, as he always seemed to know exactly what to do and what to say. Those that knew him knew quite well of his great sense of humor and very quick-witted attitude. Very stubborn he was, but that in itself kept the strength he needed to survive. I admire him for everything and will miss him so much. He said he was a lucky man and together we all said, Yes you are Dad, as we were so lucky to know and love you as you loved all of us with that big heart of yours. Take care of us as you have already Dad...and as you said, Send me off and Goodnight...Goodnight Dad, I Love you, See you in the morning, sweet dreams...*

*And thank you to all for your thoughts and prayers!*
