

## Dale Robert Lynch

September 22, 1960 - February 1, 2024

Dale Robert Lynch 63, passed away peacefully in his sleep in his good friends' home in Circle Pines, MN on February 1st, 2024.

Preceded in death by his parents Donald and Evangeline. Survived by brothers Don and Dean, his sister Deb, his sons Daniel and David and his 6 grandchildren.

Dale was a Minneapolis native and loved the city. He had strong roots in the city's Northside. Dale made many friendships and remained good friends with many people his entire life. Dale worked as a self-taught man in auto repair, restoration, and customization. If you knew Dale you knew you could always find him at "The Shop". His passion for cars and motorcycles always gave him joy and kept him busy. Another thing that brought joy to Dale was Big Sandy Lake in McGregor MN where his parents had a cabin. He enjoyed trolling the Prairie river and along the many shorelines. Also relaxing and fishing for crappies off the dock. In winter months you could find him ice fishing in front of the cabin. It would be hard to find a place on earth he loved more than those waters. Dale will be remembered as a great son, brother, father, grandfather and friend.

Celebration of life on Sunday, March 3rd from 1-4pm at NE Moose Bar & Grill.  
Location: 356 Monroe St NE, Minneapolis, MN 55413

“ Our sweet Dale..I miss you a lot and I am so grateful you lived with me and my dad for years. I wish you were here for my 16th birthday because I know you'd be the first one to wish me happy birthday. I miss seeing you and grandma always look out the window and be snoopy. I miss laughing with you and the car rides with you. I miss you Dale and I love you. You're in our hearts forever.
