

## Dale Anthony Zebro

October 16, 1961 - March 23, 2026

Zebro, Dale Anthony,

age 64 of Chisago City, passed away unexpectedly March 23, 2026.

Preceded in death by mother Elizabeth.

Survived and missed by daughter Caitlin Zebro (Joshua Underwood), granddaughter Everleigh, father Donald, brothers David, Joseph (Cynthia), and Gary (Becky), nieces and nephews, and many other family and friends.

His contagious smile and laughter could light up any room. Not only did he have a comedic side but one that was down to earth. We will always cherish, hold close, and needn't forget our own memories built with him throughout his life time. For every family member and friend who got the blessing of knowing him we will relive the memories that stay with us in reminiscence and find peace in them. Rest in peace to a very loved father, grandfather, son, brother and uncle.

Private family services at a later date.

“ *My father and I had too many great memories to count. Going to Grandpa and Grandma Zebro’s cabin in Brainerd when I was a child. Going on the lake whether it was by boat or by four wheeler to ice fish. The many rounds of putt-putt golf we would play just down the road from our house. Going bowling together, riding snowmobile, playing cards and doing puzzles. Our first MN Wild game together where i’ll never forget the Rolston jersey and ice cream you bought me. Me telling him the news he’s going to be a Grandpa to him playing with my daughter/his granddaughter Everleigh at the playground. I will miss him dearly for the rest of my life, but I’m beyond happy we had 28 years together although I wish it was more. Rest in peace Dad and fly high my angel ❤️*

“ *My deepest sympathies to you, Don, Dave and Joey. Dale was an integral part of the Sugar Lake Crew back in the day! He is a part of happy memories too numerable to count. May he rest in peace, and may you all find peace at this difficult time as well.*

“ There are so many special memories from my time spent with Dale and the Zebro family... also a few hilarious memories that Dale was so good at creating!

One memory that keeps presenting itself over all these years is when Dale tried water skipping his sled across the creek at Little Pine Lake. The sled sank, Dale got wet and the rest of us spent time fishing the snowmobile out of the water... while Dale went back to Falldins cabin to warm up & dry out.

Upon returning to Falldins cabin, we see Dale standing on the deck in a warm robe smoking a cigar while smiling and cracking jokes about the misfortune... yes, making the best out of the situation, as Dale always did!!!

My heart and prayers go out to the entire Zebro family, especially Don, Dave and Joey... Love you guys!

Dale we will miss you dearly.

God bless the Zebros.

Love,

Timmers & Tracy
