“ Dan was such a sweet man, I've known him for nearly 30 years and can say he is one of the nicest guys I've ever been acquainted with. His construction skills and his golden gardening thumb has created some marvelous plants and vegetables for his neighbors and friends at Ten Mile lake. Dan was always there for me when my engine fouled, whether it be a sunny day or at night if I had a problem on the lake Dan was always there to help. I'm really gonna miss this awesome person... Gone to soon! Jerre petersen
