“ *StewERT, I've known you since our school years. I'll miss your playful banter. SUCH a funny, kind, thoughtful, caring, loving man. So many story's to tell from our youth, so many photos I will keep close to my heart. I'm honored to call you my friend for more than half my life, 40 years?! How lucky am I that I was able to have someone like you in my life. See you on the other side, big brother. Your support and love for me will always be in my heart.*
