“ *Danelle had a great attitude at work. She always had a can do attitude. Always willing to help no matter what. This past thanksgiving at work Danelle and a couple other coworker decide we should have a potluck to celebrate the holiday season. The time and energy she put into this event I will not forget. She made it feel like we were all one giant family. It was the best time I have had at any potluck. I will miss her and remember her always.*

“ *To Danelle....I didn't know you well and didn't know you long but enough to know you had a kind heart. I remember how excited you were to rescue "Little One" and couldn't decide if you should name the kitty Little One or Lucky and we talked about you using both names...well you're now watching over "Lucky" from Above with your angel wings. God Bless you.*

“ I am so sorry for your loss and you have my deepest sympathies. Danelle was an energetic person with a love for her Minnesota Vikings. She was always singing and dancing to the music when she arrived at work and had a smile on her face we all enjoyed. Danelle was always there to help her co workers when they needed a hand. Danelle was a friend first and co worker second, she was always willing to stay late to get the job done. The entire production team at Archway where she was employed will miss her more than words can express. I used to give her a hard time that no dancing in the warehouse on Thursdays, this Thursday, before our morning Team meeting we are going dance in Honor of our Friend and Coworker Danelle. I will miss your smile and work ethic, may you rest in peace and watch over us. I am positive you are already wearing your angel wings.

“ One of my favorite memories of Danelle was her love for the Minnesota Vikings. Every single Friday before a game, she would come into work fully decked out with her Vikings shirt, socks, hat and beads. I knew every Monday after a big game I could talk to Danelle and no matter how the Vikings played she always was there to stand by them. She had an upbeat personality no matter the situation and always found a way to turn a negative into a positive. Danelle, you will be missed.
