“ Sandy and family, I am so sorry to hear of Dan’s passing. I had the pleasure of knowing him as a coworker, mentor, talented leader, and most importantly as a friend. Dan touched a lot of hearts and his time on earth was a blessing for so many people. I will cherish the memories that I have and hope that your memories bring you comfort.

“ Sandy and family,
Dan was my mentor and friend since I began programming in the early 1980’s. He showed me how he cared for people for many years. I will always remember his sense of humor and his humanity and caring for others. I’m truly blessed that I was able to know him. I’m a better person for that.
My condolences.

“ To Sandy, Laura, and The Bordenave Family.
I just came across Dan's obituary, and I wanted to express my deepest condolences to your family at this time, and I'm very sorry for your loss. Dan was a great guy! I enjoyed getting to know Dan when I was friends with Laura back in 1998. He really liked to talk about his love of fishing, boating and his Toyota MR2. Once again, I'm very sorry and saddened by his loss. Take care.
