“ My sincere condolences go to the family for the loss of their dear loved one Dan. I would like to share a Comforting thought from the bible found at Philippians 4:7: And the peace of God that surpasses all understanding will guard your hearts and your mental powers by means of Christ Jesus. 🌸

“ I have known Dan since he started dating Jen. When thinking about him over the past 10 or so years I can recall each time that I saw him based on what kind of car he had. Each time I seemed to see him over the years it was something new. He truly loved things with motors and the uniqueness of different types of vehicles. He will be missed in this world. My love and prayers go out to Jen and her family during this difficult time.
