“ Dan was one of the finest persons I ever knew. He loved life, his family and his work. His enthusiasm was infectious. His energy and commitment to mission made Dan an outstanding leader and colleague. He was a class act. I’m extremely proud to have worked with him and share in a lot of good fun together. His pride in his family was always evident. I hope all can focus on their great good fortune to have known and learned from a truly great guy. Bob McGraw.
