

## Daniel Brian McCann

September 16, 1970 - November 11, 2024

Daniel Brian McCann was born in Miami, FL on September 16, 1970. Dan's journey came to a sudden close on November 11, 2024, in Eden Prairie, MN, at the age of 54, leaving us with a heart full of memories and a legacy of laughter, love, and cherished family moments. Dan was known for his sparkling blue eyes and infectious laugh. A proud alumnus of McGuffey High School in Claysville, PA, Dan earned a degree in Computer Science from California University. In Pittsburgh, he found his soulmate, Charis, and together, they celebrated 27 wonderful years of marriage.

As a devoted husband, and as a father to Adam, Alyssa, Aaron, and Ashar, Dan was the heart and soul of his family. He loved recounting their favorite family vacation, the unforgettable RV trip around the Midwest, filled with spontaneous adventures and cherished memories. Family was his universe, and he held their happiness above all else.

Beyond family, Dan was an exceptional friend, a fun and reliable dad, and a beloved son, brother, and uncle. His sincerity and warmhearted nature endeared him to everyone he met, and he genuinely cared about others until his last breath. Surviving Dan is his devoted wife Charis; his beloved children Adam, Alyssa, Aaron, and Ashar; his caring parents Leonard W. McCann, Jr. and Carlee E. McCann; his supportive sister Donna McCann-Hochgesand and his many nieces and nephews who grew up enjoying their fun Uncle Dan. His

brother David McCann and grandparents Leonard W. McCann, Sr., and Virginia McCann preceded him in death, having paved the way for his journey.

As we bid farewell to Dan, we reflect on his warmth, humor, and the countless lives he touched. In those moments of reflection, we are reminded of the beauty he brought to our lives. And I think to myself, What a wonderful world.

# Tribute Wall

DH

“ I'm not ready to say goodbye to you, Dan. One of my very first memories was the day Mom and Dad brought you home. I loved you from the very first day you came into my world, and now that you have left this world, that same love continues. Until we meet again - I'll just keep missing you and sending messages to you on the wind. Your sister, Donna / D#1of3
