“ Dan was one of my best friends since early high school. Despite him moving 1000 miles away when we were still teenagers, we stayed in touch over the years through phone calls and video games. My dad was never present much when I was a kid and I always felt that Dan's dad John was like a second dad to me. I will forever cherish the memories I have with Dan and his family, and will forever miss him. Rest easy Dan, I will see you again one day. I love you brother.

“ Our memories of Dan started when he was all dressed up for Amy and Reuben Parker's wedding. He was a special little boy. We watched him grow into a young man always looking up to his brother Reuben. He was a gentle soul and we will miss him.
