“ Danny, it's been many years since we last spoke. I often wondered where you were and what you were doing. I thought that some day we would see each other again, but time was just not on our side. I am very sad that we never had the chance. I never stopped thinking of you or your family .RIP Danny, You will truly be missed. Jeannine, Dale, and David, my thoughts are always with you.

“ Oh, sweet Dan. You were a dear friend to our family since we dated in high school, all those years ago. It was fun to reconnect with you through my sister, a few years ago. You always made me laugh, even though we didn't always agree on politics or beer. You were always thoughtful and funny and made people feel special. You fought for our freedom, and will be dearly missed. I wish you peace at last. Love, your friend and high school sweetheart Bonnie
