“ I am so sorry for your loss. I have wonderful memories of Dan and June both growing up. He was always the epitome of vitality. Always energetic with a big giant smile. He took my sister and I to a nearby drugstore and bought us some paper dolls. Small token but scored a huge amount of points in my book! He and my father. Roger Quernemoen were very close cousins and stayed in touch and in person visits over the years. He was a great man and will be missed! Love and prayers to the family!
