

Daniel Stephen Schleck

August 13, 1964 - September 8, 2024

Daniel Schleck, 60, of Edina, Minnesota, passed away on September 8, 2024 after a courageous battle with leukemia. He was surrounded by his family whom he loved wholeheartedly, with an openness and warmth that touched everyone around him..

Dan was born in Madison, Wisconsin to Stephen and Marian Schleck. Growing up in Madison, he enjoyed all sports, excelling in football and hockey. A lifetime badger fan, he graduated from the University of Wisconsin - Madison with a Chemical Engineering Degree, he went on to earn a law degree from Kent College of Law in Chicago.

Dan's first job after college was as an engineer with Waste Management in Chicago, where he developed an interest in land use, which ultimately sparked his passion for law. While working full-time, he attended law school at night. After earning his law degree, Dan and Laura moved to Minnesota to raise their three children. He built a successful career as an attorney, specializing in land use and redevelopment. Dan loved all sports, especially lacrosse, where he not only coached his children's teams but also became a referee. Known for his larger-than-life personality, his dedication to volunteering, and his ability to connect with anyone, anywhere, Dan touched countless lives with his openness and kindness.

He is survived by his loving wife, Laura (Greenshields); his daughter, Dr. Katie Sharpe, and her husband Will; his sons, Max and Tony; his brother, Jim; Jim's wife, Tracy; and their son, Leo. He is preceded in death by his parents Stephen and Marian. Dan will be deeply missed by all who knew him.

The family would like to extend their deepest gratitude to the medical staff at University of Minnesota Hospital for their compassionate care during his illness.

“ Dan was my hockey defensive partner in high school. He was always larger than life and the smartest guy in the room. I remember one hockey game when Dan scored a hat trick and had five penalties! I haven't seen him since a night on Langdon Street at UW back in 1986, and I am thrilled to know he lived an happy and productive life. My condolences to his family and friends.
