

Daniel Lawrence Treziok

May 8, 2018

Born: November 10, 1952

Died: May 8, 2018

Age 65

Daniel was the fifth of eight children. His parents were Carl Walter Treziok of Hankinson, ND, and Lucille Annette (Boughton) Treziok of St. Paul, MN.

Daniel was a gentle soul, who would have been more comfortable living in ancient Greece. His love of history and fantasy, and his passion for books, defined who he was. Daniel was an "old soul" trapped in a broken body. We will miss him dearly.

Daniel was a graduate of the University of Minnesota and held three degrees in ancient cultures and history. Daniel never married or had any children. Daniel worked the majority of his life in the retail trades. From 1978 to 1982 Daniel lived in Chula Vista, California and operated a bookstore with his sister in law, Barbara Treziok. He returned to Minnesota in 1982 and was diagnosed with Multiple Sclerosis shortly thereafter. MS eventually robbed Daniel of his motor skills and eventually his life.

Daniel is survived by four siblings: Brothers. Walter of Chula Vista, CA, Charles of Lindstrom, MN, Raymond of Mounds View, MN and sister Janine

(Treziok) Swirtz of Lindstrom, MN. He is also survived by many nieces and nephews, including Karl and Kenneth Treziok and great nephew Karl Daniel Treziok, named in honor of his great uncle Daniel.

Daniel was preceded in death by Father, Carl Walter Treziok, Mother, Lucille Annette (Boughton) Treziok, Brother, John Treziok, and sisters, Darlene (Treziok) Hogan and Mary Treziok. A memorial service will be scheduled at a later date.
