“ My daughter Brooke shared a social studies class, with Daniel. When we lose someone we love, it seems as though time stands still. Words cannot even begin to express our sorrow. Perhaps they are not stars, but rather openings to heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy. Our thoughts and prayers are with you.

“ Christina and Dan, my heartfelt sympathies to you and your family. My daughter Mollie has a World Studies class with Daniel where she had the pleasure of getting to know him and she speaks of him fondly. She had many examples to share last night. Mollie wore "white" yesterday in Daniel's honor as many of the kids did and some wore black as you probably know. Many kids signed notes put by his locker. He will be forever missed by his classmates at CMS no doubt. Thinking of you, Deb Francis (and Mollie)
