“ *Danna and I worked together for General Mills. She was always so positive a wonderful person to know. Her flowers were amazing! Would love to talk to anyone who could let me know what happened. Jane Goke 952-934-8457.* ”

*Also loved the chocolates she would bring to work, so many and delicious. She shared with everyone, also remember what a good athlete Danna was a whiz at softball and volleyball. Did she have diabetes? What did Dale die from? Love how he could fix everything and seem to love helping Danna. I think he refinished an addition on their house by himself.*
