“ As a member of the Worthington High School Class of 1957, I send sympathy from the class to Darlene's family. She kept in touch with us through class email, even up until about a month ago when she informed us of her cancer return and that it was inoperable. She was so gracious in her final message of love and support and thanks to the class and the impact it had made on her life. She was an amazing woman. Peggy Petersen Ingram.

“ Few people who have or will cross our path that leave a lasting Godly Legacy upon us as Darlene has. Truly the kindest person I've ever met. To say she is missed is a gross understatement. But today she has realized ALL the miracles of the Bible we still "Only Image"! Our Goal must be , as hers was , to Personify Deuteronomy 8:3: "...EVERY WORD,..."
