“Darlene was a big part of my life growing up. The Sluss family and our family were together a lot. When we were together we would "play house" or check out the animals in the barn. Sometimes we would walk over to grandma's to see what she was up to. We had several evening family fishing adventures at Jim Creek or maybe at the bridge on the way to Wheaton. Lots of fun memories. May God richly bless you with Eternal Life, Darlene!!!
