“ I was so sorry to hear of Darlene's passing. I worked with Darlene for 6 years at Kerker and she was the most kind and caring woman. I still saw her every now and then when I visited Kerker and she was always so interested in what I was doing and also wanted to know all about my family. She was very special. I wish I could be at the service but we are in Colorado. My prayers, thoughts, and sympathies are with you, her family and friends.
