“ Cindy, Doug, Jim, and families, our deepest sympathies in the loss of your mother and grandmother.

It is an especially difficult time to lose a loved one now with covid and all the restrictions.

I have fond memories of Aunt Darlyne. She was a kind, caring, and strong woman. She not only raised a family, but at the same time went to school, worked hard and received her nursing degree. My mom always thought so much of her as well.

It was great times when your family came for overnight visits to our house in Glencoe, and also our trips to see you in the cities.

Peace and blessings to all of you.
