“ How do you begin to describe this wonderful man?
Generous...kind...humble...irascible...but, above all, the funniest person I have ever met...or ever will meet! We traveled the road together for many years to tradeshows (and golf)...and I have a MILLION memories, and a MILLION laughs to keep me company. Heaven is the winner this week. Today, Shorty and his beloved "Mary Jane" are together again...and that gives me great peace and joy. There is a great big hole in my heart. I will miss this unique, special person greatly.
