“ Darryl opened up his basement to John Antolak and Brad to play the Beatles! No politics, just good music... "Blackbird singing in the dead of night--Take these broken wings and learn to fly; All your life you were only waiting for this moment to arise."

*"Here comes the sun, and I say "it's all right." Thank you Darryl for bringing it home!*

*We will also miss getting hailed by Darryl in the backyard to pause and discuss politics...That one can wait for the next election...*
