

Daryl Wayne Johnson

March 18, 1938 - June 4, 2024

Daryl Johnson, 86, of Bloomington, passed away peacefully on June 4, 2024. Daryl grew up in Alden, MN, and married his high school sweetheart and the love of his life, Irene, in 1959. He graduated from the University of Minnesota, became a CPA, and in 1978 became President of L&A Products. Later, he started his own management consulting firm, D.W. Johnson & Associates, which kept him busy until he reluctantly retired ten years ago. Daryl was a diehard MN sports fan. As he ordered his season tickets to the Vikings every year, he would say, "This is going to be the year." It wasn't- but that didn't stop him from believing, as he invited family and friends to join him at the games and share in the fun. Daryl and Irene also loved cheering on the Timberwolves, Twins, and Gophers, and of course, playing golf. Whether it was the annual family golf vacation to the Brainerd area, a trip to Arizona to see lifelong friends, church golf league, or just spending time with his sons, Daryl never passed up a chance to be golfing. Daryl passed his love of these games to his three children, Mike (Kathy), Jeff (Karin), and Michelle (Sean), 9 grandchildren- Jenn (Eric), Ashley (Scott), Steven, Christopher, Sam, Benjamin, Kevin, Zach and Nadia, and 4 great-grandchildren- Madison, Avery, Alexis and Zoey. He loved going to watch their activities and cheering all of them on too. Daryl is additionally survived by his sister-in-law Betty, brother-in-law David (Marietta), numerous nieces, nephews, cousins, and friends. He was preceded in death by his beloved wife, parents, two brothers, two sisters, and other family and friends. Daryl spent the last four years in Memory Care

at Yorkshire Senior Living in Edina. His family thanks all the staff there for caring for him. Funeral service will be held at Transfiguration Lutheran Church in Bloomington on Friday, June 21, 2024 at 11:00 a.m., with visitation starting at 10:00 a.m. For those who cannot attend, the service will also be available via livestream at www.tlcmn.com.

“Daryl's vision, business skills, and perseverance made it possible for something I invented nearly 40 years ago to go from a simple idea to a tangible product known as a MotivAider that's helped tens of thousands of people of all ages in over 50 countries make important changes in their own habits and behavior. Although he set out to create a successful business, I believe he came to take great pride in all the good the business did.
