“ I have had the pleasure of working with Daryl at the SUPERVALU Distribution Center in Green Bay, WI for the last 15 years. Daryl's passion for Risk/Safety was only outdone by his passion for the Minnesota Vikings, Emma, walleye fishing and great cheese and brats. Other than the Vikings, he would have made a great Wisconsite! Daryl your humor, compassion and friendship will be sorely missed. Our thoughts and prayers are will be with your family in their time of loss. Kurt Van Camp and the Green Bay DC Team
