“ I was sad to hear of the passing of Mr. Laub, he was an amazing man. I was lucky enough to get to go to lunch with Ethan and Daryl a few times and it was always an adventure. With all the history and great stories he would share, he seemed more interested in what others were up to, rather than speak about himself. Daryl was an old school gentleman and the world was a better place with him in it. I am very sorry for your loss.
