“ *I'm shocked and sad of David's passing.
I first met David back in 79 at Jay Kline I had a Snap on business ,
the first time we met in 5 min I knew I had a friend and looked
forward every week coming back.
I sold Dave and Renee their first house it was always a good time
seeing Dave, he was just at my house 10 days ago it's hard to
believe he's gone.
Dave has many friends and he WILL be missed!
