“ I am one of Carol's best friends from college. I see Carol often and every time I did, she would talk about "my David". Although I did not know David personally, every description of his outgoing, loving, compassionate, funny & creative nature reminds me of his dear sweet mom. Carol, you raised a beautiful boy who grew into an even more beautiful young man. I offer my condolences to Carol & Dan, Tom, Stephen & John and Bryon & Deb and all of David's family. We hold all of you in our hearts.

Love,  
Leslie & Tim

“ I was truly sorry to hear of Davey's passing. I had a few classes with him at UST and enjoyed his approach to learning and making friends along the way. As many have mentioned, his zest for life and friendships was something unique and inspiring to me. I'm praying for all of his friends and family as they gather tonight. -Megan Ritter (Riordan)

“ *To David's Family and Girlfriend. I am SO sorry for your loss. My life was made lighter by knowing David. I worked briefly with David. Though briefly, he made a huge impact in my life. He made me laugh every day. His honesty and directness in life was appreciated. David, when I heard about you it hit me like being hit by a train. I love you like a great friend. I will miss you like a family member. Be happy David. Karol Bednar*

“ *David is one of my favorite people that I've met throughout my life. Spending a month in New Zealand with him was a memory I will never forget. Since I was exactly one year and one day older than David, he always called me his grandma and let me know how old I was. He was so funny, outgoing and loving. To David's family, Caresse and friends, I am so sorry for your loss. His fun loving spirit will be missed.*

“ You loved our little family- you and me and our little Lilly and you couldn't wait to make our little family bigger. We both told each other often how thankful we were for every second we had with each other, and we both wished we had gotten to be together sooner- but we both knew that we came into each other's lives at just the right time. I miss you so much sweetheart, I love you, and I will forever.
