“ *The Bouley family and our family have lived across the street from each other for over 50 years. David and our son, Bill, played (and fought) together growing up. Dave's mom and I went to church together for the last six years. In that time I got to know Dave so well. A kind, caring, and loving man to his mother, he worked hard to make things comfortable and safe for her. Dave and I had long talks and I got to know what a gentle, kind man he really was. He will be missed as a neighbor, and as a friend. RIP Dave.*

“ Dave was such a nice guy...the gentle giant teddy-bear kind. Always had an ear to listen...many great times shared in high school hanging out with the guys swim team and weekend poker card nights...driving up and down Hopkins strip...even going to the Jack of Hearts dance (Dave escorted me there). :) You'll be missed dearly David Bouley....you left us all too soon....continue to shine down on us and help keep us all in check...life is too short for sure...continued love and hugs to all Dave's family.

“ Grade school, junior high and high school. We were friends. We lived across the street from each other so we HAD to be friends! We did everything kids could do. Played, laughed and fought. We just started to reconnect and was looking forward to seeing you again. My friend, I will miss you. We will get together again and sit down and share our memories and life stories. Save me a seat at your favorite restaurant, I'm buying.

“ I am so sorry to hear of Dave's passing. He was a very good friend of ours when he lived in Kansas City, and he was a groomsman in our wedding. Love to his family and friends.

“ *Many good memories of hanging out with Dave, playing darts, and just sharing a meal. I remember how much he loved his smoker when we were over at his 50th birthday party.*
