“ So sorry for your loss. We saw David about two years ago at Rich and my 50th anniversary party. We had a nice talk that afternoon. I do have many baby pictures of David, please feel free to contact me if you would like them. Again, I am so sorry for your loss, I cannot imagine the depth of your sadness. He was a sweet young man and will be missed.

“ *Jeff and Gina,  
We are so sorry to hear about David.  
I remember when David and the boys were up at the cabin with the go cart and they ran across the bear on the road. The boys said David jumped right in the mix and got them out of the area and back to the cabin. He is now watching over us in another way. As a mother my heart breaks for you and your family. If there is anything we can do or you just need to talk please call on us. We will see you on Saturday. Love and hugs to all.

“ *Hi Gina. I am John's cousin Kelley, I don't know if you remember me. I am so sorry. I saw David at a family barbecue a couple of years ago when John and Jeanne were here visiting from Florida. My grandma never stopped talking about David the entire time that she was still alive. (I'm not telling you this to make you feel bad). Take comfort that she was there to welcome him with open arms as his grandmother. I know it's not a lot of comfort but, as mothers we have to take it where we can get it. I'll stop now but if you ever need to talk I'm here. Unfortunately, I have a trip that was already planned so I'll be out of town for the funeral. Please get my # from John or Jeanne, I'd love to get together and talk. (I'm serious!) Again, I'm sorry.*

“ *My sincere condolences go to the Burch family for the loss of their dear loved one David. I would like to share a Comforting thought from the bible found at Philippians 4:7; And the peace of God that surpasses all understanding will guard your hearts and your mental powers by means of Christ Jesus.* 🌸
