

David Christopher Crandall

August 20, 1965 - March 5, 2022

Crandall, David C. age 56, Mpls. from cardiac arrest on March 5. Loved by all who knew him well. Survived by devoted parents William A. Crandall III and Judy Crandall, siblings Kathleen, Patty (Mesenbrink), Bill, and Molly (Tim Ambrose), many nieces, nephews and cousins, Auntie Jill, and former spouse Lori Crandall. An extraordinary golfer, he won many matches and tournaments, which led to the PGA Tour Q School and playing pro for several years. Successful career as a sales exec. Greatest joy was playing golf with his dad and brother in Ireland, doting on his mother, and dressing up as the Grinch or Santa to bring joy to his nieces and nephews. He will be dearly missed.
