“ I just found out and am so heart broken. Dave and I were quite the colleagues on the softball field - from my first year in college ( we won the dorm championship that year - him at short and myself in Center field - which was his original position ) .... and we must have been on the diamond together over 200 times since !

*And we had many a night playing cards*

*We often worked out at the same gym*

*And had occasional outings at the Market Bar-B-Que Restaurant ( ask Bill Raihala about this ).*

*There even a few weekend trips to Wrigley Park.*

*He was so full energy and enthusiasm. He knew how to live life !*
