“ Prayers for peace and healing to the Johnson family. We've been long time neighborhood friends and are blessed to have known Dave since the mid 90's. He came over to tell us of his diagnosis and short expectancy over 3 years ago. It is a testament to his strength and courage that he lived longer than was told to expect. We will always remember Dave as the "motorcycle guy" and/or our friendly neighbor riding his bike with a big smile on.

“ I am so sorry to hear of Dave's passing. I rented the space next door from Johnson Assoc. from Dave, for 10 years. I got to know him pretty well. He was a wonderful landlord and He was a great person. Always smiling and cheerful. I'm sure he's riding in the car with Jigger sitting next to him. My deepest sympathy to his family and friends. “ Kathy, You especially and your family are in my thoughts and prayers. When I have lost a family member my healing started when I was able to remember the joy they brought to my life. That helped me to forget the pain for a moment. Then I was able to smile and even laugh, sharing special moments with friends and family. Your close friends will be there for you, so don't hesitate to reach out to them. I'm sorry I never had opportunity to meet this wonderful man. Sending you Love my dear.....❤️
