“ I only just learned of Dave's death 2 days ago. I am deeply saddened by this news. We were married for 10+ years and had many, many adventures. We moved to the Virgin Islands and had quite an adventurous life there for several years. When we returned we bought a hobby farm and continued to travel to many places-- throughout the Carribean, backpacked through Europe, roadtripped through Australia, and more. We had many endeavors, including Kaleidoscope Interiors--importing one-of-a-kind bamboo & willow furniture from the Dominican Republic, raising Springer Spaniels and much more. We lost touch after his last marriage. Prior to it, he would occasionally pop by my parent's house. He kindly came to my dad's funeral. I am saddened by his death, yet I know he hears my prayers and is having the time of his life in Heaven and some day I will see him there ♡.
