“ To the members of Sharlene's extended family. Thank you for printing her female name in the obituary so that I would know it was someone I knew in the past. I had the good fortune of meeting and getting to know Sharlene in the early 1990s. What a wonderful spirit--funny, outgoing and kind. It was at a time in my life when I needed to meet good people as I was in the same predicament of facing my identity as a transgender person. Sharlene was one of those memorable good people. I am so glad we crossed paths and I am sure she will be missed by all who knew her and shared her life. She made a difference in mine. My sincere condolences.
