“ Dave was my brother-in-law, but I always considered him the older brother that I never had. There was always fun to be had when Dave was around. I'll miss him always.

“Gwen and I send our sincere sympathies to Dave's family. We wish we could be with you in your time of need. We will have you all in our prayers and thoughts as we remember the great times we had together in our teen years. David and I went to school together in Hudson and shared many adventures. One included my introduction to Gwen, my wife, in November 1964. That memory, along with others, will remain with us forever. I reconnected with Dave last August and was looking forward to the next time which will come some time in the future. May God bless you all. Sincerely, Bill Couch
