“ From all of us at Holyoke Fittings, we send our deepest condolences to the Larson family for their loss. Dave was a friend and valued representative for many years. His professionalism and service to his industry are widely known.

I first met Dave within a few years of entering the industry in the mid 1990s. He treated me with respect, kindness and with good guidance, something I was always grateful for.

We will keep Dave's family and closest friends in our prayers.
