“ Dave was a beautiful person with so many qualities worth sharing there just isn't enough room. Some of my favorite time spent with Dave was just standing in the yard when we were pretending to get some work done and listening to one of his many interesting stories. He will continue to be part of our lives as we use the things he has taught us. From popovers to the best way to take care of our grass. He was a beautiful person, always generous and thoughtful of others. We miss you Dave, but you live on with us
