“ *As part of the Lunch-Bunch group, the men sat together and the women sat together. I didn't get to know David, but my late husband, Russ Jensen, always talked about how he liked talking with him and the interesting topics they covered. A nice and congenial man. May he RIP. “ David was the first Realtor I met when I joined EXIT NOW Realty many moons ago. He was a gentleman with a great sense of humor. David was intelligent, he could discuss anything with you. He talked me through issues with my Danes, my cars and my family life. In return he'd ask me for assistance with commercial listings. Somehow, I always felt I got more than I gave. David, you touched so many lives with your strength, your knowledge, your humor and your compassion. You will be missed by so many. You will be remembered well my friend!
