“ Andy, Jo, Lelia, Doug-I can just picture the joy in your mom and dad's eyes, as David entered the gates of heaven! I bet June had lots to catch up on and I can picture David waving his hand saying "Enough talking!"I know you mourn for him and will miss him on this earth, but, oh, what celebration in heaven! Someone once told me that when a person enters heaven it is just like when a baby is born here on earth. There is such joy and celebration. You all are in my thoughts and prayers. Someday we all will be together again-what joy that well be!

“ Dear Lelia, Doug, Andy and Jo, I am so sorry for your grief. You worried over and cared for David as he struggled through the health challenges of the last few years. And you were able to be with him in these last days. Throughout his many struggles, his family was with him in caretaking, in many kindnesses and in prayer. God bless you. in this sad time.
