Ripplinger, "Rip" David J. (73) crossed over peacefully at his home in Crystal MN, where his family gathered for parting wishes, on 01/11/2021. Rip showed his strength against health issues the last 2 years but it was his time to join the ancestors in heaven. Preceded in death by his parents Christ & Mary, Son David Jr. and grandchildren Bryer, Simone and Red Eagle. Rip was born in Tacoma, WA 3/2/1947. He led a full life described by him as "One Hell of a Ride". He enjoyed many adventures early in life which helped develop his passions. Proudly served in the US Marine Corps in Vietnam, 1965-69. After returning, Rip continued his passions of hunting, fishing and building his life's work, a Master Carpenter. Rip aided in the recovery of many struggling with addiction, an affliction he had also struggled with. Rip is survived by daughters Stacy (Matt), Jessica and Jamie (Justin). His daughters enriched his life with his loving grandchildren Sydney, Tayvion, Cole, Keontae, Kailynn, Brayden and Unity. Also survived by brothers Wally, Charles (Sherry), Kenny (Laurie); sister Joyce & the 8 nieces and nephews they blessed him with. The mother of his children Margaret Belille-Necklace & God daughters Shannon and Ashley. The Muehlberg/Lenzen Family and a very special person whom prefer their love remain with them alone. His parting lessons to his family was for them to be "full of kindness, integrity, honesty, honorable, trustworthy and full of love". His character exuded these qualities with pride. Although I knew Rip less than a year he had truly made an amazing impact on me. He reminded me so much of my grandfather and we loves talking about horses and what projects I should be aware of to do and how in my home. Your kindness, huge heart and wonderful conversations will always be cherished in my heart. All the best my friend. Rest in peace Rip. Love, Ireen Sommer
